**Did you know
that many people
with disabilities
and our elders
live on a fixed
income, an
average of \$750
monthly only?**

**Did you know
that government
or much private
insurance do not
pay for many
necessary but
basic mobility
products?**

Able People Foundation
is a non-profit public
charity Corporation.

**Our IRS charity tax
number is:**

04-3651552

100% of all
contributions will
directly benefit
programs and people
that we serve.

**Able People Foundation
Needs your Help
To Purchase Basic Mobility
Products for People with Severe
Financial & Healthcare Hardships**

Able People Foundation, an advocate of people with disabilities, has provided basic mobility products such as items below *to more than 100 low-income families living in our community without sufficient health insurance in 2009.*

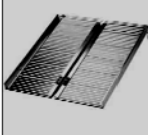

\$90 Shower Chairs
Shower chairs help to shower safely for someone with physical limitations

\$200 Walkers with seat and basket
Walkers with seat, safer wheels and 250 lbs weight capacity will not be covered by insurances if a standard walkers or wheelchair have been purchased. Such walkers are essential for many elders with walking difficulty that required to rest after a short walk.

\$480 Transport Light Weight Wheelchair
Transportable wheelchairs are very light weight 17lbs vs 40lbs of standard ones. It is a great help for caregivers that care for elder family members that need to lift and transport wheelchairs when taking the loved ones to doctor or shopping. It doesn't get paid by insurances.

\$350 6' Portable Ramps
These ramps are absolute necessity for someone confined in Wheelchair and live in a house with any structure barriers such as small steps mainly at entrance doors. Ramps are not paid by any insurance.

\$500 Manual Wheelchairs
Amazingly, many people living in Santa Clara County Do not have sufficient insurance or funds to purchase a simple wheelchair. Our organization has been giving wheelchairs since 2003 receiving clients in need from homeless shelters, independent living centers, aging services and hospitals.

- We help very low income individuals and elderly with physical limitations and or disabilities without sufficient healthcare.
- Assist 150 individuals in 2010 with purchasing above basic products.
- Almost all insurances including government insurance such as "Medicare" do not cover many of above basic products or have harsh restrictions to pay only small portion of the cost.
- Our goal is to raise \$65,000. Any contributions will make us closer to provide an opportunity to more productive, happier and easier lives for at least 150 more people right here in Bay Area.

**Able People Foundation is 100%
volunteers based organization.**

**Please Give, and together create a
healthier community for all.**
